### Another Way to Contribute to MTM

Across the next couple of weeks, the Messenger will be suggesting several alternative ways to contribute to MTM. These ways will not cost you anything extra, but simply by using a particular method of shopping online or shopping through a particular website, MTM receives an amount equal to a certain percentage of the purchase or a specific amount of money. Please give consideration to these suggestions.

**The first suggestion** is that you download the GoodSearch Toolbar and use it as your web browser. The download and information regarding this site can be found by clicking this link: [GoodSearch Toolbar](#). When you go to this site, at the top you need to "choose your cause"; type in Ministering to Ministers; register by giving your name, email, etc., and then each time you browse with "GoodSearch Toolbar" with MTM as your chosen cause, MTM will receive one penny. You can see on their website how much groups have earned. Wouldn't you like to see MTM in that list? If all of the MTM supporters and participants used GoodSearch as their web browser, just imagine how quickly those pennies will multiply!

**Why not give it a try today? Registering for the browser is so easy; the cost is affordable (FREE), and the results can be amazing. Will you help MTM today?**
